

NORTH SAILS **CREW COLLECTION**

NORTH SAILS CREW COLLECTION

There's nothing quite like the feeling you get when presented with the team colors. Particularly when the logos and badging are embroidered on the very best gear money can buy.

The North Sails Crew Collection is a line of highly technical, rugged performance products designed to bear custom designs for your crew. This is not swag. This is high-quality, team-issued kit, built to be worn until your kids steal it. This is the North Sails Crew Collection.

THE STYLES

SHORE

Step off the deck and onto the podium, hoist a bottle of champagne high over your head and revel in the moment, bearing your team's badge with pride.

The Shore Collection is designed to inspire esprit de corp among the members of your crew, and covetousness among members of others.

THE STYLES

SAILING

Rugged, highly technical and built for business, our Sailing Collection is designed with zero compromise to live up to the very highest standards of North Sails name.

With a proven cut, fit and details to challenge the wind and water, we constructed this gear to be worn by winners.

THE STYLES

TRAINING

In sailing, as with any sport, great teams practice like they play. Checking and double-checking equipment. Planning logistics and communications, so that come race day, your crew moves as one. Ready for every eventuality.

Our easy-wearing Training Collection was designed tough and comfortable for laying the foundations for victory.

**WOMEN**

At North Sails, we understand the cut and tailoring needs of the female athlete are very different from those of men.

That's why we've designed these garments with the growing legions of female sailing enthusiast in mind.
